AMPLIFY

The Amplify Artist Development programme is here to support local artists.

We know that the Midlands – both East and West, is full of talented theatre-makers and we want Nottingham Playhouse to be a hub for artists. Whether you're fresh out of education, early in your career, or someone who has been making professional work for several years, we want to be there for you. We are committed to developing a network where ideas can be shared, challenged and grown.

Throughout the year, we create opportunities and host events to help professional artists develop skills, showcase work and connect with other artists. These include the Amplify Festival, scratch nights, networking events, masterclasses, co-working opportunities and one to one mentoring and guidance sessions.

Amplify Membership

By becoming a member of Amplify, you become part of a network of artists connected to Nottingham Playhouse who live in or come from the Midlands (East or West). This comes with access to a jam-packed newsletter, exclusive events and workshops, ticket offers, one to one advice and guidance and much more.

T_H_I_S_I_S_A_S_P_A_C_E for artists to come together, to create, to connect, to make, to own.

For Nottingham artists from the global ethnic majority* to take up space, with performances, workshops and discussions.

Celebrate, share, plan, devise, perform, whatever you need.

*We use 'Global Ethnic Majority' as a collective term that refers to people who are Black, Asian, Brown, dual / multiple heritage, indigenous to the global south and / or have been racialised as ethnic minorities.

Talk to us about your idea on 17, 22 or 24 April. Details below.
